Domesti-PUPS

Your Donation Has More Impact In The Month of May!

Domesti-PUPS' mission is to improve the quality of life for persons with special needs through the assistance of animals and to promote awareness through education.

Therapy Dogs | Service Dogs | Adoptables

Domesti-PUPS is accepting donations through Give to Lincoln Day on May 28, sponsored by the Lincoln Community Foundation. This year, all donations made during the entire month of May count toward Give to Lincoln Day. With the addition of the \$300,000 challenge match pool, the more you give to Domesti-PUPS through this campaign, the bigger share of the match pool we receive! Expand your impact!
